PACK LEADERS:

We are trying to put together a programme for your cubs. At the moment, we have Sixer/Second training, orienteering, knots and axe and knife safety, there is also a possibility of having some first aid. We will have a group campfire on Saturday evening in Sleepy Hollow and Scouts Own on Sunday morning. We are working on programme for your first years as well.

The cost for your youth and leaders is \$10.00 for the weekend. We have a number of cabins for the youth and leaders depending on numbers, so we need to know approx. how many will be attending. Please forward your best guess as soon as possible to me. Or whether you would prefer to camp in tents. Arrival will begin at 7:00 pm (please no earlier) and registration will be under the pavilion in the Birchmount Campsite. (down by the pool).

Although we will be providing most of your programme for the weekend, there will be down time in which you will be able to go out on a hike of Woodland trails. Keep in mind that the scouts are also at Woodland trails this weekend with their own programme. Part of the cub programme is to visit a scout troop, you may be able to arrange this with your/a troop while you are at there. Please make these arrangements prior to this weekend.

We look forward to seeing you for the first camp of the year.
