5th Estate, Big issue was drawn about whether “secret” list existed which red flagged former leaders, allegations are false as stated by National.

Should not make comments regarding any approaches by media, instead should direct inquiries to www.scouts.ca. This is not a “no-comment” statement, rather it is helpful as it points people to correct literature about any concerns.

Key message coming down is that youth are accompanied by at least 2 adult leaders

Letter from Janet Yale - <http://www.scouts.ca/sites/default/files/files/J-Yale-Letters-to-CBC-Eng.pdf>
