

# All Section Sharing Session

There will be an all-section sharing session at the Scout Hall on January 28 from 1-4 PM.

Please come prepared with a craft you can demonstrate to everyone else.  
(and bring enough to share so everyone will be able to take one home).

Please let Shirley Blair know - email her at [socialscouter2002@hotmail.com](mailto:socialscouter2002@hotmail.com)

I am hoping to have leaders from each section participate.  
This way there will be program idea's to help in each section..  
And hopefully they will be able to gain enough idea's to help out in the own groups.

This will be a non formal meeting..  
Please dress in comfortable clothing... and bring your coffee cups..

If you have a favourite song, skit, cheer, or vesper,  
please bring handouts to share with the group..

Please confirm your attendance well in advance so we know how many to expect.

Looking forward to getting together to "SHARE" your idea's..
