# Calling all Beaver Colonies and Cub Packs, it's time to stand up and be counted.

This is a special event that will bring Beavers and Cubs together from across our Council. Since the previous event was held in 2007, this could be a once in a life time for the Beavers or Cubs.

The team is working hard arranging lots of special games, crafts, activities and events that flow with the Aboriginal Olympic theme. Just imagine what sorts of activities will take place.

The organizing committee needs to know how many people are going to attend this event. We've got to acquire sufficient quantities of crafts and equipment to ensure that the youth are not sitting around waiting. Please complete the attached pre-registration form and include the anticipated numbers attending. Send the form along with a \$100 deposit to Vicky Locroix (address on the form). The reason for the deposit, is that most of the camp expenses must be paid prior to the event.

We need 1500 pre-registered by Jan 15 in order to run this event, so don't delay and send us your registration.

The camp fees have been set at \$25 for each Beaver or Cub and \$20 for each leader or helper (including Scouts and Venturers). The balance will be collected at the camp.

Let's make this a huge success – send in your registration today!

A detailed information package will be sent out in February to those that have registered.
