

Dear Registrar:

In 1995 our National Insurance company modified our insurance policy, requiring us to provide information regarding Scouters 70 years of age and over registered within your group/district. If we do not supply the National Council with the requested information, those Scouters who are 70 and over will not be covered by the insurance policy.

Please forward this form with the names, addresses, date of birth, position and group for those Scouters 70 years of age and over. We thank you in advance for your cooperation and attention to this matter.
